C

I m looking round madly

C/Bb

for something to find

Am

That might give me a front

Dm

D

G

To put something, something behind.

C

Just bouncing this ball

C/Bb

Up and down the hall

Am

But it s full of best wishes

Dm

D

G

and suffocating fishes, and all.

C

So, let s drink some wine

C/Bb

And have a good time.

Am

But if you really want to come through

Dm

D

G

Let the good time, good time have you.

G

It s what you ve got to do.

C

You said it was foolish

C/Bb

for me to be sad;

Am

Dm

But I m very hungry, and you..

D

G

You re very well fed,

G

You re such a fat lady.

C

And I m talking to you

C/Bb

just for something to do

Am

Cause I d much rather kiss you

Dm D

But I know, Iâ€™m gonna miss you

G G

Again and again, I know I m gonna miss you.

So, let s drink some wine, etc. x2

C - C/Bb - Am - Dm - D - G - G x5

C

I sing to the island

C/Bb

That sings in your head

Am Dm

Cause I know you d much rather be there

D G

Be there instead.

G

I know you d rather be there...

C

But you won t find the answer

C/Bb

Even when the wind blows;

Am

Cause the answer, my friend

Dm

is in front..

D G

Right there in front of your nose

G

Everybody knows, it s their nose.

So, let s drink some wine, etc. x2 (fade)
