Intro: **E E EAE**

Verse 1:

```
      E              A
Learned to much in me time, buyin dinner and wine,
      E              B
And me money on flowers and lollies.
E              A
Only to find, that what s on me mind,
B              E
Isn t on hers and she s sorry.
      E              A
So I ve made up some lines, to save wastin time,
      E              B
And keep me from blowin me brass.
      E              A
I m ever so cool, I just prop on the stool,
B              E
Right next to hers and I ask.
```

Chorus 1:

```
      A              D A
Do ya fuck on first dates,
      E              A E
Does ya Dad own a brewery.
      B
Could I feel ya tits,
      E              A E
Or would you show em to me.
      A              D A
```

Cause ya got a nice head,
 E **A E**
And ya look pretty honest.
 E **B**
So me face ll be leavin in quarter an hour,
 E
I d like you to be on it.

Verse 2:

E **A**
You know how it feels, when ya first meet a sheila,
 E **B**
And the bullshit ya gotta go through.
 E **A**
Like callin her up, and tellin her ya love er,
 B **E**
When all that ya love s just a screw.
 E **A**
But she wants to hold hands, and you re to meet her old man,
 E **B**
And sit around for hours and talk.
 E **A**
But my method is, you just cut through that shit,
 B **E**
And get down to the goodies straight off.

Chorus 2:

A **D A**
Do ya fuck on first dates,
 E **A E**
Does ya Dad own a brewery.
 B
Could I feel ya tits,
 E **A E**
Or would you show em to me.
 A **D A**
Do ya sleep in the nick,
 E **A E**
Do you give head very often.
 E **B**
So if we could decide, your place or mine,
 E
We could fuck off then.

Verse 3:

E **A**
So the next time ya see, a good lookin sheila,
 E **B**
And you d give a weeks pay to hold er.
 E **A**

Don't sit actin' dumb, just front her full on,

B

E

And drop a few lines that I've told ya.

E

A

This new method of mine, might not work every time,

E

B

But then again there's no method will.

E

A

I've been spat at and slapped, and kneed in the knackers,

B

E

But then I've got a few fucks as well.

Chorus 3:

A

D A

Do ya fuck on first dates,

E

A E

Does ya Dad own a brewery.

B

Could I feel ya tits,

E

A E

Or would you show 'em to me.

A

D A

If the answer is no,

E

A E

To me questions above.

E

B

Then be a good sport, and give me the name,

E

A E

Of a girlfriend who does.
