Intro: 11: **Eb** (no3) **B Fmb5/Ab** :11 **Eb**(no3)
Eb Fm

Once upon a time, I had a
Eb/G Cm7 -/Bb
dream I had a vision, Of that
Ab

Someone that was
Eb/G Fm7 Bbsus Bb
missing In my life

Here I am, looking back
On the road I used to travel
Through the darkness
Through the times of sacrifice

Ab
I can't believe how
Eb/G
things can change so
Fm7 Bbsus Bb
fast I can
Ab Eb/G
see it in your eyes
Eb/Bb Bb7
We're gonna last

Eb Fm7
With every bit of me with all my heart, With
Bb Cm7 Bb Fm7
every single breath I'm gonna love you
Eb/G Cm7
Fall into my arms tonight
Bbsus Bb
And make it alright
Eb Fm7
If you ever come to doubt these words
Bb Cm7 Eb/G Fm7
Let me be the one to break it to you
Eb/G B

I'm gonna love you endlessly
Bbsus Bb 11: **Eb** (no3) **B Fmb5/Ab** :11
With every bit of me

Love will come and go

But as long as you are with me
I am happy to be someone
In this world
You re the day
That changed it all
You re the nights I will remember
For as long as I am walking on this earth

With every bit of me with all my heart
With every single breath I m gonna love you
Fall into my arms tonight

With every bit of me

Eb(no3) **Db** **Ab/C** **B Db**

Eb(no3) **Db**

If you can dream it

Ab/C **B Db**

If you believe me

Like I believe it

B Db **Eb**(no3)

Standing here with you

Db

You brought me something

Ab/C

Right out of nothing

You are the one thing

B **Bbsus** **Bb**

That makes it all come true

Ab **Eb/G** **Eb/Bb**

I can see it in your eyes

Bbsus7

We re gonna last

F **Gm7**

With every bit of me with all my heart

C **Dm7** **C** **Gm7**

With every single breath I m gonna love you

F/A **Dm7**

Fall into my arms tonight

Csus **C**

And so onâ€¦

Let's make it alright

If you ever come to doubt these words

Let me be the one to break it to you

I m gonna love you endlessly

With every bit of me

Oh, baby

Fall into my arms tonight
And make it alright
If you ever come to doubt these words
Let me be the one to break it to you
I m gonna love you endlessly
With every bit

of me
