

**Marlene**  
**Kevin Coyne**

Marlene - Kevin Coyne. Kevin is an authentic great artist whose songs deserves to be

plaid ([http://pascalregis.nerim.net/Pascal\\_Kevin%20CoynePage.htm](http://pascalregis.nerim.net/Pascal_Kevin%20CoynePage.htm))

Tabbed by Seb the Koala

Capo en 1

Intro:                   **F**           **Dm**           **C**           **A# (x2)**

Verse

**F**                                   **Dm**  
Girl of my dream, Marlene  
**F**                                   **C**  
You know who I mean, Marlene  
**F**                                   **A#**  
You re just a dream oh Marlene  
**F**                                   **C**  
Why don t you let me come in, let me come in

Verse

**F**                                   **Dm**  
You sit there every night, Marlene  
**F**                                   **C**  
You are just right, Marlene  
**F**                                   **A#**  
When I turn on my light, oh Marlene  
**F**                                   **C**  
Why don t you let me come in, let me come in

Verse

**F**                                   **Dm**  
Paper is torn, Marlene  
**F**                                   **C**  
Paper on the wall, Marlene  
**F**                                   **A#**  
And I m just a boy, oh Marlene  
**F**                                   **C**  
Why don t you let me come in, let me come in

Chorus (x2) **F Dm F Dm F C A# C**  
I say hey, hey pretty girl           I say hey, hey pretty girl  
I say hey, hey pretty girl  
hey pretty girl, hey pretty girl

Verse

**F**                                   **Dm**  
Turn off my light, oh Marlene

**F** **C**  
You are just a fright, Marlene

**F** **A#**  
Come here tonight, Marlene

**F** **C**  
Why don't you let me come in, let me come in
