Intro: **C#m - A - E - B [X2]**

C#m **A** **E**
Iâ€™ve never been the kind to hold back,
B **C#m** **A** **E** **B**
Though Iâ€™ve never felt the burden before,
C#m **A** **E**
And all these years I begged for vengeance,
 B **C#m** **A** **E** **B**
Was only left with wanting more,

A **E**
But I canâ€™t be whole,
 B
 til I let all this anger go,
 A **E** **B**
The silent strain Iâ€™ve carried long enough.

E **B**
And I canâ€™t be with you,
 C#m **F#m**
I donâ€™t even want to,
 A **B**
I just wish your ghosts were gone,
 E **B**
Cause Iâ€™m ready to love,
 F#m **A**
Iâ€™ve been guarded long enough.

C#m - A - E - B [x2]

E **C#m** **B**

E **C#m** **B**
I tried in vain to forget you,
 F#m **E** **B**
Oh I tried everything,

A **E**
But I wonâ€™t be free,

B
til Iâ€™ve made peace with never knowing,
A **E** **B**
What went wrong and was the fault in me.

E **B**
And I canâ€™t be with you,
C#m F#m
I donâ€™t even want to,
A **B**
I just wish your ghosts were gone,
E **B**
Cause Iâ€™m ready to love,
F#m A
Iâ€™ve been guarded long enough.
