I cried on September 11th

E A C#m
Tear ran down my spine

E A E A
Like I cry for each murdered Iraqi

F#7 B7
As though I ve lost a neighbor of mine

E A E A
But Afghanistan got what was coming

G#m A Amin
It was the right thing to do at the time

E C#m A B7 E
So love me, love me, love me, I m a liberal

E A E A
And I go to the anti-war rallies

E A C#m
Curse George and the whole G.O.P.

E A E A
And I can t get enough of Obama

F#7 B7
Oh his message of change speaks to me

E A E A
But sure Nader s right about most thing

G#m A Amin
But he cost Gore that election, you see

E C#m A B7 E
So love me, love me, love me, I m a liberal

And I ve bristled the rage through Katrina
The response made me sick to my heart
I m sure FEMA would ve come running
Had it flooded rich whites in Cape Cod
But don t talk about revolution
Cause that s going just a little bit too far
So love me, love me, love me, I m a liberal

Yes I vote for the Democratic Party

I figure soon enough they ll come along
And I attended those vote for change concert
And they sure got me singing those songs
And I m bothered about corporate government
But I do want our brand to trade strong
So love me, love me, love me I m a liberal

Yes I read the New Yorker and Nation
And I ve learned to take every view
And I idolized Franklin and Stewart
Hell I feel like I m almost a Jew
But when it comes down to globalized markets
Well there s no one more red, white, and blue
So love me, love me, love me, I m a liberal

And sure once I was young and impulsive
I wore every conceivable pin
Even went to some socialist meetings
Yeah I learned all the old union hymns
But oh I ve grown older and wiser
and that s why I m turning you in
So love me, love me, love me, I m a liberal

There are alot of verses and the chords remain the same. It gets softer on the
last
but thats about it.
