

F-Cked Up Kid

Kevin Drew

pretty rough and probably a bit wrong, but it works for me. someone with a better ear

feel free to make suggestions.

sounds best if everything is played as barre chords (or power chords, depending on how

you are_

G Bm x3

G

D A

Skin stains are left across the floor

D G

I know it s cause we didn t speak about the war

A Bm

my time is only a guess

D A

faces are like art upon the wall

D G

and I hope the rumors will break your fall

A Bm D

Guess it s gonna be love for the fucked up kid

D A Bm x3

G

D A

Spoiled fingers in a club that s a mess

D G

I separated their eyes from the chest

A Bm

and I think we look like the rest

D A

if you seize the cake from the man

D G

he might take his words and lie down with his plan

A Bm D

I know he did, cuz he s in love with the fucked up kid

D A Bm x3

G

D A

And all the puddles that I decided to explain

D G

I heard there s a funeral for your name

A Bm

they say the lies are better than the tests

D **A**
and when you came back you killed me with a kiss

D **G**
like a glorious fight I wished I d missed

A **Bm** **D**
ah shit, guess I m in love with the fucked up kid

D A Bm x3
