The ending begins inside of your heart. BmА And the people they love to remember your name. It s a hospital bed but it s all just the same. BmOooh, Oooh, Oooh. Oooh, Oooh, Oooh. Why did you leave when you were returned? Α Your past is your future, your future will learn.

The crows that fly we ll try not to find.

You do things once, you know you ll do it twice.

 The middle should live inside of your brain.
 I ll stop for a moment and try to refrain.
 I m hoping you love just like when you were a kid.
 Let s hop a fence and do what we always did.
THE END.
