

All I wanna do is you
Kevin Johansen

Hola que tal, acá está una canción que debería estar en todos los cancioneros de Argentina... y de Alaska, ¿por qué no? Es para tocarsela a sus cumbieras intelectuales, como la mía que es un bombón.

Riff uno:

```

/-----/-----/-----/
/-----/-----/-----/
/-----2-----2-----2--/-----2--/
/-----2-----2-----2--/-----1>2-----/
/----0-----0-----2>4<2-----0-----/----0>2-----/
/-----/-----/-----/

```

La ultima parte forma parte del riff uno, pero también la vamos a llamar riff 2 para algunas partes de la canción.

Riff 1
Waste my time just thinking of, drinking of you
Riff 1
Lose my time just hoping for, doping for you
Riff 1
'Cause all I really want to do is you...

Riff 1
I work like crazy and I try to concentrate
Riff 1
But all I do is think of our possible fate
Riff 1
'Cause all I really want to do is you...

```

Riff uno +   G|-----2-----|
             D|-----2--5-----|
             A|----2---4-----|

```
