She´ll be back by this afternoon

(SE REPITE EL MISMO RITMO)

I´m gonna get down with my baby
I´ve been waitin´for this moment, baby
And I´m gonna get down whit her soon
Knowing all along that it was goin´to happen
She´s on her way and I just can´t wait
Even through the moments of doubt, baby
She´ll be back by this afternoon
I knew you´d come through.

I´m gonna get down with my baby
You owed it to yourself, baby
And I´m gonna get down whit her soon
You were with him for way too long
She´s on her way and I just can´t wait

She'll be back by this afternoon
Trapped in you own fears for almost 8 years

(SE ACELERA EL RITMO)

A F#m
I'm gonna get down with my baby
And all you had to do was wake up and walk out.

A C#m
And I'm gonna get down whit her soon
Cause I was here waitin'all along

D B
She's on her way and I just can't wait
And now you know That you belong to yourself

G C
She'll be back by this afternoon
Not to him, not to me

(VUELVE AL RITMO INICIAL)

I'm gonna get down with my baby
And you chose me
And I'm gonna get down with her soon
Thank you
