Intro (Riff x 4)

(Arpeggiar: G C G C)

Puerto Madero, Madero Puerto,
we're going to Puerto Madero, Madero Puerto, yeah!,
Puerto Madero, to see a concierto.

And all the people that aren't from here would like to come and stay
And all the people that are from here just want to get away
And all the people that aren't from here would like to come and stay
And all the people that are from here just want to go to Spain

G Bm Em
And then San Telmo to buy some "antiguos"
A D
Then to La Recoleta to see some conchetas

We're going to Puerto Madero, Madero Puerto, yeah!
Puerto Madero...

(I love las minifaldas on Esmeralda
And the sexy porteños trying to pick up the Argentineenagers.
How nice, the Argentineenagers
Tomando sol in the primavera de Buenos Aires)

Then to Almagro to dance a few tangos,
then to El Tigre to buy lots of mimbre

And all the people...

(Oh, I love el Microcentro, las baldosas flojas para verte la cosa
Los adoquines, los excesos en Congreso, all the piquetes)

And then Belgrano to buy an helado (de dulce de leche)
Then to Palermo to see some enfermos.

Yeah, we're going to Puerto Madero, Madero Puerto
we're going to Puerto Madero, Madero Puerto
we're going to Puerto Madero, Madero Puerto
Let's go now!
