Verse2:

Behold the days are coming

For the Lord has promised

That the plowman will overtake the reaper

And our hearts will be the threshing floor

And the move of God we ve cried out for

Will come, it will surely come

For You will shake the heavens

And fill your house with glory

And turn the shame of outcasts into praise

All creation groans and waits

For the Spirit and the bride to say

The words that your heart had longed to hear
