For love has made a way for us to come into your presence  
**A.**  
You are the Bridegroom take us in your arms  
**D**  
We refuse anything that hinders love...

Chorus:

**F#m.** **E/G#.** **A**  
It s the joy of being love sick ... The pleasures of loving you

Verse2:

We plant our lives in the soil of your love  
And we watch them grow and bloom  
The aching longing to see you face to face  
To behold the stain of love our groom  
You said you would not share your glory  
With another one.....

Chorus2:

We are not another... We are your beloved

Verse3:

We are making ourselves ready - for the consummation  
Arrayed in fine linen clean and bright  
With the sound of intercession filling up the golden bowls  
We are bursting in your beauty and your might  
As the prayer room in heaven and on earth has come together  
And your reign of LOVE will rule the universe

Chorus:

Itâ€™s the joy of being love sick ... The pleasures of loving you

Spread Your blanket of Love, come for the love sick ones,

Let love flow now

The Spirit and the Bride say come, come for the love sick ones,

Let love flow now
