Cm  
Up in the sky  
Down-wind another light goes dim  
Bb  
And I know it s him  
F  
Reigning like a storm again  
Cm  
Deep inside of me  
Cm  
Light of my life  
Fm  
Find my shadow wandering in my mind  
Gm  
Now all the threads will unwind  
F Gm  
When all the stars are aligned and I need

Cm Bb Eb F  
Time to break all the mirrors  
Cm Bb Eb F Cm  
But my mind is in pieces and not ready to make it clearer

Cm  
Upon a time  
Cm  
Down in a little room  
G  
Made just for me  
Ab  
I heard them  
Fm  
Whispering my name  
G Cm  
And taking you away

Fm Eb Bb Cm  
Pain isn t the only gift I ll give you slowly  
Bb Fm Gm

But I ll give it wholly and solely to you

**Cm G Bb F**  
**Fm Cm Fm G**

**Cm**  
I ve come to find

**Cm**  
Mind and matter

**Fm**  
Wandering without time

**Gm**  
Then all the flowers combined

**F**  
With all the souls that went

**Bbm**  
Blind to see again

**Cm Bb Eb F**  
Time to make it all clearer  
**Cm Bb Eb F**  
And if time never ceases I ll be ready to break the mirror

**Cm**  
Drawn in a line  
**Cm**  
Sharp edges in the dark

**G**  
Made just for me

**Ab**  
I hear them

**Fm**  
Waking the profane

**Gm Fm**  
And slithering in pain

**G Cm**  
And withering away

**Cm Fm Eb Bb Cm**  
Death isn t the only gift I ve given slowly

**Bb Fm Gm**  
But I ll give it solely and only to you

**Ab Cm Ab**  
I glow in moonlight

**Cm Ab**  
You fall like rain (you fall like rain)

**Cm Ab**  
We ll take the ever-after

**Bb Cm**

And turn it into pain

**Fm Eb**

Your pain is the one thing

**Bb Cm**

That I feel inside me

**Bb Fm**

That I have been hiding

**Gm Cm**

Inside me for you

**Fm Eb**

Your death is the singing

**Bb Cm**

I hear when I m dreaming

**Bb Fm**

And the bell I ll be ringing

**Gm Cm**

When I sing for you

**Fm Eb Bb Cm**

Pain isn t the only gift I ll give you slowly

**Bb Fm Gm**

But I ll give it wholly and solely to

**Cm**

You
