Things you used to do, went right out the door

What more can you say

And you can t help who you love

[Verse 2]

Now you can wait your whole life tryna change
What the fear from what it s been
You may have put your whole life into a man
Loving what you thought that could ve been.
Don t wanna swing your change

When you don't feel as good as you used to (before)
And everything you used to say,
Everything you used to do clear right out the door
Oh no more, will you be the one
That's what you tell everyone around you
But you know they've heard it all before
What more can you say
When love won't let you, walk away
And it can't help who it loves
And you find yourself giving it away
When you think you're in love

[Chorus] (x2)

Bb **Am7**
I wanna be the one who you believe
C **Dm** **Am7**
In your heart is sent from (sent from heaven)
Bb **Am7** **C**
There's a piece of me who leaves when your gone
Dm

I wanna be the one
I wanna be the one (sent from heaven)

[Chorus] (x2)

Bb **Am7**
I wanna be the one who you believe

In your heart is sent from (sent from heaven)

There's a piece of me who leaves when your gone
