**Em7**  
hello heavenly

**Em7**  
come along with me  
Bm1                    Bm2  
i will show it all

**Em7**  
show you how to be

**Em7**  
free in captivity  
Bm1                    Bm2  
how to know it all

CHORUS: en accords  
=====

C (81010988)

will we

**C** **D**

ever overcome?

**C#** **A#**

Oh..id like to say yeah

**C#**

and i think that we should pray

**A#**

then we shall overcome

**C#**

if we stay

**A#**

together move as one

**C#**

cuz today

**A#**

the future is begun

**C#**

**A# C#**

if we say that we shall overcome

Couplet: pareil ke le premier

=====

ill tell you what i see,captures all are free

those who know it all

hell is heavenly the angels, guns, and me

groove inside a war

Chorus:

=====

**C** (81010988)

will we

**C** **D**

ever overcome?

**B** **C**

Oh..id like to say yeah I d like to say yeah

Ensuite:

=====

**D#m** **A#**

then we shall overcome

**D#m**

**A#**

if we stay together move as one

**D#m**

**A#**

cuz today the future is begun

**D#m**

**A#m**

if we say that we shall overcome

**Em**

that we stay ....

Ensuite on redit le mÃame couplet jusqu au bout en utilisant

1) Em et B (au lieu de D#m et A#)

puis

2) **F#m** et **C#**

3) **G** et **D**

4) **A** et **E** mais la on entend preske plus rien

(pis y a un peu le manche de la guitare ki bloke :0))

Note: there might be some mistakes (Major chords that should be Minor)
