god said below me honesty will stay  
what is a storm on a new brighter day?

telling the clouds in the sky every day  
look to the south for the season i am saying  
keziahs coming round on a new brighter day

are we lovers in truth or disbelievers?  
are we lovers in truth?

CHORUS: **C#m B A G#**

couplet:

=====

if you need to know why freedom is so hard  
keep looking through another machine to get your power  
it means a new brighter day

I know that the preachers got far to make you start  
do you listen to the wind or the law to make your story?  
it means a new brighter day

are we lovers in truth or disbelievers?  
are we lovers in truth?
