That s running thru me

G

I d like to sail on the ocean of love
F (un seul coup,pas de riff)

But the wind said :

This boat aint goin nowhere

C

CCC

Without a breeze

(etc)

My mind

Has been twisted

Reformed

Conformed

And deformed by someone

I met by complete chance

In a bluebell field

I d like to hold you tight

Hold you close

Cover your mouth

Burn all your clothes

Chorus

Walkin naked thru a bluebell field

So much laughter

Should intensify the real

Walkin naked thru a bluebell field

I d like to kiss your hips

Lick your lips

Shed my soul

+ Blind fold ya

Chorus

I d like to fuck your aura

And when I have the time

I d like to unscrew your mind

Chorus

I d like to tell your mama

Tell your pa

Bout the thangs we did

In their backyard
