I though that I could drift through life on all those pretty sentiments
Dm7
They said everything turns out fine, don t know if they really meant it
Ebm7
I wasted so much of my time looking for ways to circumvent
Ebm7 BbM7
This sinking feeling now I know its the same one that makes you rise

Cm7
I guess these sort of things just take their time
Dm7
Sometimes its just enough to feel alright
Ebm7 EbM7
But is that all that i ve been working for my life

BbM7 Cm7
Remember the first summer of our lives that we wished we were grown up
Dm7
The first summer your heart got broken it wouldn t be the last
Ebm7
The summer you went out of town i stayed inside till you came back
Ebm7 BbM7
The summer that we grew apart but i guess that we were okay with that

Cm7
It s not my best but i guess its a start
Dm7
I ve always felt that i was in the dark
Ebm7 Em7
I d like to tell you but it feels we re worlds apart

BbM7 Cm7
I filled up so much of my past try n to avoid the detriment
Dm7
Was always looking for the perfect time to take the smallest steps
Ebm7
I wondered why you always seemed so eager to get closer with
Ebm7 BbM7 Cm7 Dm7
That sinking feeling now i know its the same one that makes you rise
