GM7 Em7
Man I swear last summer was like a dream
Am7 D9 D7
Feels like last summer was like a dream
GM7 Em7
And Iâ€™m tryna figure out-Iâ€™m just tryna figure out what it means
Am7 D7 D7
Yeah Iâ€™m tryna figure out what it means

GM7 Em7
Itâ€™s such a tragedy to stay inside on peaceful summer days
Am7 D7
But I got nobody calling me, I stay behind the shades
GM7 Em7
I was thinking bout the days, how they werenâ€™t even a thing
Am7 D7
Wasting hours watching ceilings, clouds passing through shades
GM7 Em7
As I wonder why I never said the words I had to say
Am7 D7 D7
As I watch the summer slowly fade away with Autumnâ€™s day
GM7 Em7
Pink and white and blue and green and warmth that makes me tired
Am7 D7
Bright eyes from quite stares, moments to admire
GM7 Em7
Now theyâ€™re hazes in my memories just places that I used to be
Am7 D7
I wish I could return but know that I could never stay
GM7 Em7
No I canâ€™t call it a home itâ€™s just a stop along the way
Am7 D7
And I donâ€™t know where Iâ€™m going but it seems Iâ€™ll be okay if

GM7 Em7
Last summer was like a dream
Am7 D9 D7
Feels like last summer was like a dream
GM7 Em7
And Iâ€™m tryna figure out-Iâ€™m just tryna figure out what it means
Am7 D9 D7
Yeah Iâ€™m tryna figure out what it means

GM7 **Em7**
Rain donâ€™t fall like it used to
Am7 **D7**
The Sun gets hotter every year
GM7 **Em7**
The people that I know slowly moving away
Am7 **D7**
Theyâ€™re moving towards everything that I have feared
GM7 **Em7**
Autumn fades back into the winter
Am7 **D7**
The winter fades back into the spring

GM7 **Em7**
When the summer comes around it will go around again
Am7 **D7**
It will all be just like a dream
GM7 **Em7**
Summer is like a dream
Am7 **D7**
Like a dream, like a dream, like a dream
GM7 **Em7** **Am7** **D7** **GM7**
Summer is like a dream
