[Verse 1]

Dmaj7

Ultimately I don t understand a thing

Amaj7

I try to do the best I can

I know you try to do the same

Dmaj7

We re just so bound to make mistakes

You could call it a disposition

Amaj7

I apologize for all your tears

I wish I could be different

Dmaj7

But I m still growing up

Amaj7

Into the one you can call your love

Dmaj7

I don t know if I ll ever be enough

Amaj7

I m throwing in my chips

I guess I tend to push my luck

[Verse 2]

Dmaj7

And ultimately I believe we ll be okay

Amaj7

It s so cliché to say these things, but repetition is a key

Dmaj7

I think I m better when I m with you
But I worry when you re gone

Amaj7

I think I need to learn to love myself
I must learn to be strong

Dmaj7

So for now we ll say goodbye
Although it pains me in my heart

Amaj7

Your words they come to me in memories
They sing to me like songs

Dmaj7

It won t be long until I m here
Soon I ll make my arrival

Amaj7

Under shady trees a quiet street
The roads that I have traveled

[Verse 3]

Dmaj7

Ultimately it s a beautiful thing

Amaj7

Like flowers blooming in a lonely field

The petals drift through crossing winds

Dmaj7

They find their way to river streams

Amaj7

That scent the water beautifully, it takes me back to you
It takes me back to you

[Outro] x2
