

American Teen
Khalid

F

Living the good life full of goodbyes

My eyes are on the grey skies

G

Saying I don't want to come home tonight

F

Yeah, and I'm high up, off what?

I don't even remember

But my friend passed out in the Uber ride

F

Oh, I'm from the city of the 9-1-5

G

Where all the girls are pretty

And they're down for the hype

F

All my boys are with me

Going up for the night

G

But who cares, who cares

F

Cause this is our year

C

G

So wake me up in the spring

F

While I'm high off my American dream

C

G

We don't always say what we mean

F

That's the lie of an American teen

F

Maybe the end is near

But I've been waiting all year

G

To get the hell up out of here

F

And throw away my fears

I'm so faded (I'm so faded)

G

Off of all the things that I've taken and

F

Maybe I m not really drunk

G

Maybe I m really good at faking

F

From the city of the 915

G

Where all the girls are pretty

And they re down for the hype

F

All my boys are with me

Going up for the night
