Bbm **Gb**
As time passes, I feel so low
Fm **Ab**
Searchin for pieces, covering up the hole
Bbm **Gb**
I ll fight for your love, I ll fight for your soul
Fm
I ll throw all of my cares away for you
Ab
I ll be there to wait for you
Bbm **Gb**
Maybe you weren t the one for me
Fm **Ab**
But deep down I wanted you to be
Bbm **Gb**
I ll still see you in my dreams
Fm **Ab**
All the things that I did for you, just wasn t it for you

Bbm **Gb**
So I ll be coasting, roller-coasting
Fm **Ab**
Through my emotion
Bbm **Gb**
I will be coasting, roller-coasting
Fm **Ab**
I m hoping that you ll come back to me

Bbm **Gb**
Moving on seems harder to do
Fm **Ab**
When the one that you love moves faster than you
Bbm **Gb**
I gave you my all, I showed the proof of your lies
Fm **Ab**
And you weren t worth it, you don t deserve me
Bbm **Gb**
As time passes I m feeling high
Fm **Ab**
You re not the one I m thinking of tonight
Bbm **Gb**
I may not be over you, but I ll try inside
Fm **Ab**
I m feeling better now, finally feeling special now, oh

Bbm **Gb**
So I ll be coasting, roller-coasting
