Tell me what you re crying for

I will carry you over
Bm D
It don t matter where you are

I ll run to your front door

Em G
When my head goes in different directions
D A
You know my heart s never on the move

And in the dark times
G
You don t have to question
D
If I m a hundred with you

G D
You could put an ocean between our love, love, love
A Bm
It won t keep us apart

You could build a wall
D
I would run it up, up, up
A Bm
Just to get to your heart
