Iâ€™ve had enough heart break through the day/

No frills just beans on toast tonight/
C

Verse 1

F **E**
Itâ€™s just me and my mate sky sports/
F **E**
Now your gone Iâ€™m watching too much sky sports/
C
What am I doing, where am I going I donâ€™t know today/
F **E**

F **E**
You re the only thing that I think about most/
F
Looks like its just me, my beans and toast/

Chorus

Verse 2

I feel low I've already shedded a tear/
Surrounded by pizza boxes and flat beer/
I've got a headache now, one to many/
I'm confused I thought things were going well/
But it turns out that wasn't the case/
You told me we're over, bad news down the phone/
I just wanted to see your face for the last time/
Maybe I could change your thought on your last line/
It's you that I think about most/
Looks like it just me, my beans and toast/

Chorus

Middle 8

C	F
I'm alone and that's ok/	
C	F
And there's nothing more to say/	
C	F
I'll just get on with my life/	
C	F
Now you're gone now you're gone/
