Song: Enter Galactic
Album: Man on the moon: The End of Day

Capo 1

Em Fmaj7

Okay

Dm Am

Say you've never done this before and that's cool and all

Em Fmaj7

But I want you to try this with me, that's cool

Dm Am

Don't worry

Chorus:

Em Fmaj7

Get ready, pop it, let's go

Am G

Enter galactic, you and me, enter galactic, you and me

Em Fmaj7

Get ready, pop it, let's go

Am G

Enter galactic, you and me, enter galactic, you and me

Em Fmaj7

I once used to dream of peace until I found you

Dm Am

Once upon a time, baby

Em Fmaj7

I once used to dream so sweet until I had a taste of you

Dm Am

Once upon a time, baby

Em Fmaj7

Reaching out to outer space, dancing to awesome sounds

Am G

This all new to you?

Em Fmaj7

Reaching out to hold you close so I don't slip away

Am G

Exploring new approach, a whole new free, I say

Chorus:

Em Fmaj7

Get ready, pop it, let's go

Dm Am

Enter galactic, you and me, enter galactic, you and me
Em **Fmaj7**
Get ready, pop it, let s go
Dm **Am**
Enter galactic, you and me, enter galactic, you and me
Em **Fmaj7**
Get ready, pop it, let s go
Am **G**
Enter galactic, you and me, enter galactic, you and me
Em **Fmaj7**
Get ready, pop it, let s go
Am **G**
Enter galactic, you and me, enter galactic, you and me

Em **Fmaj7**
I know it s easy to imagine
Dm **Am**
But it s easier to just do
Em **Fmaj7**
See, if you can t do what you imagine
Dm **Am**
Then, what is imagination to you?
Em **Fmaj7**
Just a waste of space in your brain
Am **G**
To take the place of hate, where things all the same
Em **Fmaj7**
Tell me your secrets, the things that make you tick
Am **G**
I like when you talk because your voice is angelesque, ay
Em **Fmaj7**
I want to kiss you on your space below the navel at
Dm **Am**
The place that you keep me so moist like a towelet
Em **Fmaj7**
This will mark today, a mind s soul will connect
Dm **Am**
Let s not forget the sex, my heart you can t collect
Em **Fmaj7**
Now, now, yeah my heart you can t collect
Am **G**
Now, now, yeah my heart you can t collect
Em **Fmaj7**
Now, now, have just one more cap
Am **G**
Babe, babe, have just one more stem babe

Chorus:

Em **Fmaj7**
Get ready, pop it, let s go
Am **G**
Enter galactic, you and me, enter galactic, you and me

Em **Fmaj7**

Get ready, pop it, let s go

Am **G**

Enter galactic, you and me, enter galactic, you and me

Em **C#dim**

Pop it, ready, go

Am7 **D** **Em**

Let it, take, take, take, take over

C

Get ready, pop it, let s go

Am7 **D** **Em**

Get ready, let let it take you over

C#dim

Get ready, pop it, let s go

Am **D** **Em**

Take it, just let it, take, take you over

C **Am** **D**

Get ready, let s go, let s go, hey

Chorus x2

Common s Speech:

Soon after falling into a deeper psychedelic state to escape the prison of our reality,

our hero becomes trapped in his own peaceful place which immediately becomes his sanctuary.

A place filled with his wildest dreams.

This, is his new home.
