

Heaven At Night
Kid Cudi

G
Heaven at night
G D
Have you ever been to heaven at night
D Am
Closing your eyes the feeling so right
Am
At first you might see this one bright beam of light
G
Clutching your soul
G D
Happy unites and feelings take flight
D Am
Blinds of the evils you give them no sight
Am
Focus on floating, your focus is tight
Am
Like you be road ass you safe for a class
G
To pass in the night
D Am
Have you ever seen the ending so nice
G D
You feel so free like your high as a kite
D Am
Like how you feel if you drink some bud light
D
Followed by Jag
G D
Models we smile then tilt our heads back
D Am
These are a few of the visions I like
Am
Mixed in with light,
Am D
These are my favorites to dream in the night
D G
This is my heaven at night

G D Am
Have you, ever been to heaven at night (heaven at night)
Am
Heaven at night (heaven at night)
G D
Oh have you
D Am

Ever been to heaven at night (heaven at night)

Am

Heaven at night (heaven at night)

G D Am

Man Oh, I need what the world can t give me (cant give me)

Am

Can t give me

G D Am

Man Oh, I see what the world can t show me (cant show me)

Am

Can t show me

G D Am

Dog, Oh, I like what the world can t give me (cant give me)

Am

Can t give me

G D Am

Dog Oh, I sing but the world can t hear me (cant hear me)

Am

Can t hear me

G D Am

Have you ever been to heaven at night (heaven at night)

Am

Heaven at night

G D Am

Oh have you, ever been to heaven at night

Am

Heaven at night
