

Heaven At Nite
Kid Cudi

Kid Cudi
Heaven at Nite
A Kid Named Cudi

The other chords seemed incorrect, so here is my version of the song.

Tabbed by Josh Mulla

N/C
Have you ever been to heaven at nite
N/C
Have you ever been to heaven at nite
N/C
Heaven at nite

G **D**
Have you ever been to heaven at night
Am **G** **D**
Closing your eyes the feeling so right
Am **C**
At first you might see just one bright beam of light
B **E**
Clutching your soul to the toll of the blight
G **D**
Happy unites and feelings take flight
Am **G** **D**
Blind to the evils you give them no sight
Am **C**
Focus on floatin, your focus is tight
B **E**
Like you rewrote as safe for a class
G
To pass in the night
D **Am**
Have you ever seen the ending so nice
G **D** **Am**
You feel so free like your high as a kite
C **B**
Like how you feel if you drink some bud light
E
Followed by Jag
G **D**
Models we smile then tilt their heads back
Am **G** **D**
These are a few of the visions I like

Am **C** **B**
Mixed in with light, these are my favorites to dream in the night
E
This is my heaven at nite

G D Am
Have you
G D Am C
Ever been to heaven at nite (heaven at night)
B E
Heaven at nite (heaven at nite)
G D Am
Have you
G D Am C
Ever been to heaven at nite (heaven at night)
B E
