

**Scott Mescudi Vs The World**  
**Kid Cudi**

Hey guys,  
This is my first tab, sorry for any mistakes.  
And I know everyone doesn't have a capo, but this song would be harder without one than with one.

Capo 2

The verse and chorus are exactly the same, 4 chords.  
**Am, G, Em, F**

**Am**

What up? How is everyone doing?  
You are now in the World I am ruling

**G**

Take a minute to adjust for the wonderous  
Clusterfuck of fun and enchantment

**Em**

I promise you some Generation Next shit  
Speak for the seller who I left with

**F**

Parallel levels in a dark, dark place  
Tripped all you niggas to a dark, dark fate

**Am**

The guy that you are with a smile up on my face  
As the sun kisses us on the foreheads gently

**G**

Gentle with the drugs, heavy with the love  
Iâ€™ma spit this on stage, watch models fill my club.

**Em**

Money doesn't move me except on the literal.  
G4 flights, now weâ€™re off to Australia

**F**

I wanna see more of the World,  
these are more than just words, these are facts from a winner

[Chorus]**Am**

**G**

This is a journey, into the horizon

**Em**

hope you can see that, if its real to you

**F**

we can meet on the other side,  
on the other side  
ayee

**Am**

**G**

this is a journey, into the horizon

**Em**

hope you can see that, if its real to you

**F**

then we can meet on the other side,  
on the other side

(Same as Verse 1)

[Verse 2]

What up? How is everyone feeling?  
I hope you understand what youâ€™re hearing  
Take a minute to roll up for the wonderous  
Clusterfuck of darkness and evil  
I will play the Yin and the Yang for ya  
And my jeans will be off with the little skinnies  
Upgraded, fitted into the T  
Work hard, making sure I donâ€™t become a memory  
Hard to press on when the memories remember me  
And they always find the perfect moment  
High speed. Iâ€™m a minimal slum.  
Lost in the wind, Iâ€™ve lost all my friends  
Maybe they were never meant to be acquainted  
Money seems to make everything tainted  
Everybody mad cause they stuck.  
One less.  
Took what I wanted and I did it all blunted.  
Oh oh

(Same as Chorus 1)

[Chorus]

This is a journey, into the horizon  
hope you can see that.  
If its real to you,  
we can meet on the other side.  
On the other side.  
ayee  
this is a journey, into the horizon  
hope you can see that, if its real to you  
then we can meet on the other side,  
on the other side

This is a journey, into the horizon  
hope you can see that.  
If its real to you  
we can meet on the other side.  
On the other side.  
This is a journey, into the horizon  
hope you can see that.  
If its real to you  
Then we can meet on the other side.  
On the other side.
