

**C**

It s simple as that

**F**

It s simple as that

It s simple as that for your simple ass

**C**

It s simple as that

**F**

It s simple as that

It s simple as that for your simple ass

**C**

It s simple as that

**F**

It s simple as that

It s simple as that for your simple ass

**C**

It s simple as that

It s simple as (1,2,3)

**C**

Simple as that for your simple ass

**F**

Simple head wish you would ve called it how it should ve been

**C**

They try and tell me they don t get it, they don t underdig

**F**

Well I be damn I came this far to let a fool live

**C**

I gotta terminate the hate and spread the positive

**F**

Without it being wack and cheesy to the little kids

**C**

So I curse like a sailor and I smoke weed

**F**

I am exactly who an older rappers kids be

**C**

And who they love, hands to the universe

**F**

Prolly think they drug addicts if they spit a Cudi verse

**C**

Mad little mamaâ€™s switch to converse without a purse

**C**

long as the booty looking juicy and they styling on em

Chorus
