Intro: **Am** - **Asus2**

Verse:

Am

They will never understand our language

Asus2

Cause we will never speak the words again

Am

Listen close and you can hear the echoes

Asus2

Am

Fade and disappear into the wind

Chorus:

G

F

I will miss you more than fire

G

Am

F

Misses the air when it expires

G

F

And suffocates from a lack

G

Am

Oh, a lack of oxygen

Verse:

Am

Are you standing at the drugstore counter?

Asus2

Or are you on a bus that s going by?

Am

Can I hear you walking close behind me?

Asus2

Am

Listen to the crows as they take flight

Chorus:

G

F

And I will miss you like an arm

G

Am

F

That s been removed but when it s gone

G

F

I can still, still feel the pain

G **Am**

Oh, just like you were there

G **F**

I will miss you more than fire

G **Am** **F**

Misses the air when it expires

G **F**

And suffocates from a lack

G **Am**

Oh, a lack of oxygen
