Kid Rock

[Verse 1]

A **D**
You re no angel, I m no saint, if we were

We wouldn t be in this place tonight
A
Lost and lonely, scared and confused
D **A**
We both have a past, nothing to lose, tonight
A,D
Bm **F#m**
Well it cuts like a knife these bad luck blues
D
We both got scars from the hell we been thru
Bm **D**
Somebody s gotta win, somebody s gotta lose

[Chorus]

A **E**
So let s roll the dice, one more time
Bm
Take a chance on love again tonight
A **E**
Risk it all, lay it on the line
Bm **D**
Let the skeletons fight for life
G **D**
Tonight, hold on tight, as we collide
A,D

[Verse 2]

A
Reconnected, feelin no pain
D **A** **D**
