Kid Rock - Early Morning Stoned Pimp

Submitted By: Lockie D

EMail: xtreme\_psyko@hotmail.com I noticed in a lot of KR songs tabbed here, the 2nd guitarist is often forgotten. I see why now, it s a lot of work getting those parts tabbed. But, I went ahead and sat down and listened to a few songs and got the 2nd guitar part (the part hardest to hear) for this song. Here it is

(intro-this is an eleven, not 2 ones)

```
E |  
B |--11/12----  
G |  
D |  
A |  
E |
```

(verse)

```
E |  
B |  
G |-----5-5-----  
D |--1/2-2--2-----5-5-2-2  
A |  
E |
```

(pre chorus)

```
e |-----7----5  
B |--11-12/11-----
```

(chorus-these are elevens, tens, and twelves)

```
E |  
B |  
G |--6-86-86-8-10/11--10-----  
D |-----11-10----  
A |-----12  
E |
```

ok, thats as much as I can get.
