

Lonely Road Of Faith
Kid Rock

I truly love this song. I did a bass line test on this song (nevermind) but i don't have the exact tab, so i'm just spitting out the chords, so maybe if someone figures out the exact tab instead of just the rhythm.

D* drop me a line if u figure it out!

Starts in C progresses to G then ends on D

```
e|-0-0-0-----3-3-3-----2-2-2-2-2-2-|
B|-1-1-1-----3-3-3-----3-3-3-3-3-3-|
G|-0-0-0-----0-0-0-----2-2-2-2-2-2-|
D|-2-2-2-----0-0-0-----0-0-0-0-0-0-|
A|-3-3-3-----2-2-2-----|
E|-----3-3-3-----|
```

I know they're probably bar chorded, but i can't remember those right now. plus there's two guitars, one acoustic, one electric. I think the acoustic plays what's above.

The part leading into the distorted part is played in Bm and B

Bm B it's acoustic here.

```
e|-1---1-|
B|-3---3-|
G|-2---3-|
D|-3---3-|
A|-0-----|
E|-----|
```

Now's where i need help, so help please!! D*
