Kid Rock - Slow My Roll

C#

There s a new day on the horizon
There s a rising in the air

H

Somewhere somebody s tryin to tell me they care

C#

So I m a lift my head to a new day
Plant my feet on the ground

H

Look at life in a new way and what s goin down

F#

C#

Cuz today s the day, I m gonna take things slow

F#

C#

Try and change my ways, forgive and let all that go

D#7

A#7

Tell the ones I love, what they need to know

H

F#

I m gonna turn around, settle down

C#

And slow my roll

Guitar: **C# - C# - H - F# - C# - C#**

Mixin loneliness and whiskey

Heartache and cocaine

H

Livin life like a gypsy, lost and ashamed

C#

So I m a look to the Lord as my witness

Rest my hat on a shelf

H

Trade these boots for forgiveness and find myself

F#

C#

Cuz today s the day, I m gonna take things slow

F#

C#

Try and change my ways, forgive and let all that go

D#7

A#7

Tell the ones I love, what they need to know

H

F#

I m gonna turn around, settle down

D#

H

C#

And I can t believe 16 has long since past

D#7

H

C#

Cuz I m tired of runnin , and never looking back

D#7

H

F#

And I won t survive if I live this life this fast, no, no

Guitar: **C# - C# - H - F#** | x2
