A C D C riff, like La Grange
Last measure of chorus is wrong, but sounds ok.

Riff
I got bougart and west coast chopper
That sure makes them bitches stare
Got a dead flamingo wrapped around this cowboy hat i wear
I like 2 cuss, yell, scream. fight
And raise all kinds of hell
And if you ride to live like i live to ride
Then let me hear that rebel yell

I like my whiskey straight up daiquiris
Make me ill
And if someone touches my beaver skins
I get mad enought to kill
I got a rifle rack in my pick up truck
