

Diamond Days
Kids In Glass Houses

D

G

I feel your body shaking
Lying next to mine

D

Could be the devil talking
Could be the holy wine

G

Says we can do whatever
Says we can lead the blind

D

Cause the closest to alive youâ€™ll feel this side of death
Is knowing that you tried

F# **A** **Dm**
Weâ€™re screaming at the moon together

F F# **A** **Dm**
And tonight weâ€™re gonna live forever

G

Cause the diamond days

A **F#**

Fade away

Asus4

And weâ€™re gonna run away

G

Cause the diamond days

A **F#**

Fade away

G

A

Tonight weâ€™re gonna live forever

G

I hear the darkness calling
On the edge of town

D

Weâ€™d better go on walking
If the car breaks down

G

We go down together
Cause what is yours is mine

D

The closest to alive weâ€™ll feel this side of death
Is knowing that we tried

F# **A** **Dm**
Weâ€™re screaming at the moon together

F F# **A** **Dm**
And tonight weâ€™re gonna live forever

G
Cause the diamond days

A **F#**
Fade away

Asus4
And weâ€™re gonna run away

G
Cause the diamond days

A **F#**
Fade away

G **A**
Tonight weâ€™re gonna live forever
