Diamond Days
Kids In Glass Houses

Eb

G#
I feel your body shaking
Lying next to mine
Eb
Could be the devil talking
Could be the holy wine
G#
Says we can do whatever
Says we can lead the blind
Eb
Cause the closest to alive youâ€™ll feel this side of death
Is knowing that you tried

G   **Bb**   **Ebm**
Weâ€™re screaming at the moon together
F# G   **Bb**   **Ebm**
And tonight weâ€™re gonna live forever
G#
Cause the diamond days
Bb   **G**
Fade away
                   Bbsus4
And weâ€™re gonna run away
G#
Cause the diamond days
Bb   **G**
Fade away
G#   **Bb**
Tonight weâ€™re gonna live forever

G#
I hear the darkness calling
On the edge of town
Eb
Weâ€™d better go on walking
If the car breaks down
G#
We go down together
Cause what is yours is mine
Eb
The closest to alive weâ€™ll feel this side of death
Is knowing that we tried

G   **Bb**   **Ebm**
Weâ€™re screaming at the moon together

F# G   **Bb**   **Ebm**
And tonight weâ€™re gonna live forever
G#
Cause the diamond days
Bb   **G**
Fade away
              Bbsus4
And weâ€™re gonna run away
G#
Cause the diamond days
Bb   **G**
Fade away
G#   **Bb**
Tonight weâ€™re gonna live forever
