Diamond Days
Kids In Glass Houses

E

A
I feel your body shaking
Lying next to mine
E
Could be the devil talking
Could be the holy wine
A
Says we can do whatever
Says we can lead the blind
E
Cause the closest to alive youâ€™ll feel this side of death
Is knowing that you tried

G#   **B**   **Em**
Weâ€™re screaming at the moon together
G G#   **B**   **Em**
And tonight weâ€™re gonna live forever
A
Cause the diamond days
B   **G#**
Fade away
                    Bsus4
And weâ€™re gonna run away
A
Cause the diamond days
B   **G#**
Fade away
A   **B**
Tonight weâ€™re gonna live forever

A
I hear the darkness calling
On the edge of town
E
Weâ€™d better go on walking
If the car breaks down
A
We go down together
Cause what is yours is mine
E
The closest to alive weâ€™ll feel this side of death
Is knowing that we tried

G#   **B**   **Em**
Weâ€™re screaming at the moon together

```
G G#                            B              Em
And tonight we’re gonna live forever
A
Cause the diamond days
B           G#
Fade away
                Bsus4
And we’re gonna run away
A
Cause the diamond days
