

Enough For You
Kids In Glass Houses

Enough For You
Kids in Glass Houses
In Gold Blood [Bonus]

Tabbed by: Kattipus

Been working on this one for a while. Sorry if you think the lyrics are inaccurate, I had to interpret them myself!

Standard Tuning

(synth Intro: **G#m, G#m, F#, F#**, then **G#m, E, F#, F#**,)
[Guitar comes in at first G bar]

Verse one

B **G#m** **E**
All the nights that we played slowing down every day
F#
When we re flying,
F#
and colliding
B **G#m** **E**

let me drown in the flames as the town gives me names
F#
all the dying,
F#
and conniving,

Prechorus

E **F#**
Woah, you keep me up,
G#m **B**
You know you ve got me where you want me, darling
E **F#**
Woah you ve got my trust
G#m **F#**
And no, you never let me down

cos you say

B **F#** **G#m** **E**
This will never be enough for you
B **F#** **G#m**
E
but we try and we try and we try to see it through

[Synth: **G#m, E, F#, F#** (x2)]

Verse Two

B G#m E
In the fire escape of the old english grace
F#
You were mine,
F#
you were mine,
G#m E
As we come face to face with the courage we chased
F#
down the line,
F#
we re defying

E F#
but whoa, your lips are dust,
G#m B
you know you ve got me where you want me darling and
E F#
woah, I miss your touch,
G#m F#
the way you always let me down and I ll say

B F# G#m E
This will never be enough for you
B F# G#m
E
but we try and we try and we try to see it through

B F# G#m E
This will never be enough for you (no it never, no it never)
B F# G#m E
Yeah we lie and we lie and we lie until it s true (yeah we re lying, yeah we re lying)

G#m~

G# Ebm F#
You re not my darling
G# F# Eb F#
Wooaah, you re not my darling
G#m F#
Wooaah, you re not my darling
G#m B E F#
Wooaah, you re not my darling

B~

This will never be enough for you

F#

Take my heart and my soul, everything that I hold on to

B

F#

G#m

E

Faith will never be enough for you

B

F#

G#m

Take my heart and my soul, everything that I hold on to,
woah

B

F#

And we try yeah we try and we try and we try

G#m

E

We try and we try yeah we try,

B

F#

G#m

and we try and we try and we try to see it...

E

G#m~
