It s getting pretty late **D~**
And I ve got sleep to chase **A**
I wonder if I m in your good graces today **Bm A**
I m television blue **D**
In the window to your room, **A**
Youâ€™d think I might have better things that I could do **Bm A**
I m sleeping in the same clothes, falling into black holes watching you **D A**
I m moving right behind while every single night I crawl to you **Bm A**
I keep chasing the same ghosts, sheets are full of black holes watching you **D A**
I m moving right behind while every single night I crawl to you **Bm A**
You don t know the half **D**
You don t know the truth **A**
You don t know the things that you re putting me through **Bm A**
You rarely ever kiss **D**
But I love it when you tell **A**
Me everything you want of me, the secrets in hell **Bm A**
I m sleeping in the same clothes, falling into black holes watching you **D A**

I m moving right behind while every single night I crawl to you
I keep chasing the same ghosts, sheets are full of black holes watching you
I m moving right behind while every single night I fall for you

Every night I sleepwalk
Every sleep I night crawl
Every time I feel the fire burning underneath my eyes
And every night I sleepwalk
Every sleep I night crawl
Every time I feel the fire burning underneath my eyes

It s getting pretty late
