It s getting pretty late **Eb~**

And I ve got sleep to chase **Bb**

I wonder if I m in your good graces today **Cm** **Bb**

I m television blue **Eb**

In the window to your room, **Bb**

Youâ€™d think I might have better things that I could do **Cm** **Bb**

I m sleeping in the same clothes, falling into black holes watching you **Eb**

I m moving right behind while every single night I crawl to you **Cm** **Bb**

I keep chasing the same ghosts, sheets are full of black holes watching you **Eb** **Bb**

I m moving right behind while every single night I crawl to you **Cm** **Bb**

You don t know the half **Eb**

You don t know the truth **Bb**

You don t know the things that you re putting me through **Cm** **Bb**

You rarely ever kiss **Eb**

But I love it when you tell **Bb**

Me everything you want of me, the secrets in hell **Cm** **Bb**

I m sleeping in the same clothes, falling into black holes watching you **Eb**
