It s getting pretty late

G#

And I ve got sleep to chase

Bbm

G#

I wonder if I m in your good graces today

C#

I m television blue

G#

In the window to your room,

Bbm

G#

Youâ€™d think I might have better things that I could do

C#

G#

I m sleeping in the same clothes, falling into black holes watching you

Bbm

G#

I m moving right behind while every single night I crawl to you

C#

G#

I keep chasing the same ghosts, sheets are full of black holes watching you

Bbm

G#

I m moving right behind while every single night I crawl to you

C#

You don t know the half

G#

You don t know the truth

Bbm

G#

You don t know the things that you re putting me through

C#

You rarely ever kiss

G#

But I love it when you tell

Bbm

G#

Me everything you want of me, the secrets in hell

C#
