It s getting pretty late **E~**

And I ve got sleep to chase **B**

I wonder if I m in your good graces today **C#m B**

I m television blue **E**

In the window to your room, **B**

Youâ€™d think I might have better things that I could do **C#m B**

I m sleeping in the same clothes, falling into black holes watching you **E B**

I m moving right behind while every single night I crawl to you **C#m B**

I keep chasing the same ghosts, sheets are full of black holes watching you **E B**

I m moving right behind while every single night I crawl to you **C#m B**

You don t know the half **E**

You don t know the truth **B**

You don t know the things that you re putting me through **C#m B**

You rarely ever kiss **E**

But I love it when you tell **B**

Me everything you want of me, the secrets in hell **C#m B**

I m sleeping in the same clothes, falling into black holes watching you **E B**
