Teenage Wonderland
Kids In Glass Houses

```
                  F#
When we were young
              Bbm                                        Ebm
We made the mis takes that make us what we are today

C#
Today
              F#
When we get old
                      Bbm                     Ebm
We long for the lessons that were meant for yesterday
            C#
For yesterday
                    F#
When we were ghosts
                        Bbm                                  Ebm
We showed you the light and dark  til all that s left is grey

      C#
So grey
                  F#
When we are gone
                      Bbm                         Ebm
We hope for the knowledge that you wanted us to stay

        C#
To stay

          Bbm
In your oils
              B
In your bones

            C#
In your dreams, you build a home
              Bbm
In your heart
            B
In your hands
          C#
In the place you die
                        B     F#     C#
Your teenage wonderland
                    B  F#  C#
Teenage wonderland

                  F#
```

```
When we were young
          Bbm                                        Ebm      C#
We wore out years, orbiting girls like brave new worlds
          F#
When we get old
               Bbm                                   Ebm         C#
We hope just enough to hold something that we can call our own

         Bbm
In your heart
          B
In your hands
         C#
In the place you die
                      B   F#   C#
Your teenage wonderland
                      B   F#   C#
Your teenage wonderland

            F#
When we get home
            Bbm
When we get home
            Ebm
When we get home
            C#
When we get home
            F#
When we get home
             Bbm                              Ebm         C#
We hope just enough to hold something we can call our own

       Bbm
I m a boy
          B
Playing a man
           C#
Trying to understand
                     B     F#    C#
This teenage wonderland
                  B   F#   C#
Teenage wonderland

            F#
When we get home

When we get home
               Bbm
When we get home

When we get home
               Ebm
When we get home
```

When we get home
```
              C#
```
When we get home

When we get home

```
                F#
```
When we were young
```
                  Bbm
```
We made the mistakes that make us
```
                Ebm
```
what we are today
