In all these things that turn to dust

When we re full we want to be empty  
You loved the chase til it slowed down  
You loved the hunt til it hit town  
Til it hit town

(Same chords as previous chorus)

Just when you thought the world was yours  
Just when you thought you had it all  
Just when you thought you d done enough to get  
You through the night  
The night, night  
Just when you thought the world was yours  
Just when you thought you had it all  
Just when you thought you d done enough to get  
You through the night  
The night, night  
The night, night  
The night, night
