Up All Night
Kids in Glass Houses
Peace

Tabbed by: Kattipus (katlovesdirt.tumblr)
Standard Tuning, Capo 2

If you don t have a capo, just transpose it two half-steps up. I transcribed it
this way
because I find these chords easiest to play.

Chords used:
Capo 2: **E**, **A**, **B**
(no capo: **F# B**, **Db**)

Intro: **A**

```
    E                                                 A

  E                                             A
But I m weary now  cause I can t get you off my mind
E                                     A
Take me down to widow s paradise
      E                                             A
