Peace

Tabbed by: Kattipus (katlovesdirt.tumblr)
Standard Tuning, Capo 2

If you don t have a capo, just transpose it two half-steps up. I transcribed it
this way
because I find these chords easiest to play.

Chords used:
Capo 2: **F#**, **B**, **C#**
(no capo: **G# C#**, **Eb**)

Intro: **B**

```

  F#                                         B

      F#                                         B
