Getting Over You Getting Over Me Acoustic Kids in the Way

This is my interpretation of the song played on an acoustic guitar...very simple...and sounds good with the recording. Enjoy!

Kids In The Way - Getting Over Me Getting Over You (Acoustic)

CAPO I

Am F

This is me getting over you getting over me

Am

The line is breaking , The sun is sinking

-

There s nothing I can do, To get back to you

Αm

There s nothing I can say, As the stars lead the way

F

To a place where memories die

Chorus:

ď

Here lies a desperate Heart

G

Covered in scars and broken parts

ㅠ

Never knowing what it s fighting for

Only knowing that it s love is sure

Am

The line is breaking, The sun is sinking

F

There s nothing I can do, To get back to you

Αm

The blood lines the leaves, Leads the way for my feet

F

To a place where memories die

CH:

C

Here lies a desperate Heart

G

Covered in scars and broken parts

F

Never knowing what it s fighting for Only knowing that it s love is... BRIDGE: Am We had a love like Johnny and June I felt alive, I would ve died for you Gallows on the hill cast a shadow for two As me and my love hang alone at high noon. Here lies a desperate Heart Covered in scars and broken parts Never knowing what it s fighting for Only knowing that it s love is sure My Love is sure.... Here lies a desperate Heart Covered in scars and broken parts Never knowing what it s fighting for Only knowing that it s love is sure Am So this is me getting over you getting over me....
