Im Alright
Kids in the Way

hey guys this is my first tab so bear with me here.
this is an awesome song! and an awesome band! i hope u guys like it

tuning is 1/2 step down

G- 3x0033
D/F#- 3x0232
Em7- 02203x
C- 03201x

```
         G
I run away when i get scared
          D/F#
I find a place where no ones there
      Em7       C
and i cry

           G
My shame it comes its like a cloak
            D/F#
it leaves me room enough to choke
        Em7           C
and im stranded

[chorus]
             G
When i fall down
           D/F#
you pick me up
             Em7
you wipe my eyes
                 C
and say its alright [x2]

        G      D/F#     Em7      C
Its alright

                  G
Hes the one who knows the place i go
          D/F#
he never fails to let me know
      Em7       C
im forgiven
```

```
                G
He sees the good in you and me
                 D/F#
he throws our sins into the sea
            Em7
they re forgotten
              C
they re forgotten

[chorus]
                 G
When i fall down
               D/F#
you pick me up
               Em7
you wipe my eyes
                  C
and say its alright [x2]

        G
Its alright
      D/F#
Its alright
      Em7        C
Its alright

                   G
And no matter where you go

no matter what you know
           D/F#
no matter who you are

no matter what you thought
      Em7          C
its forgiven

                  G
and no matter what you say

no matter time of day
            D/F#
no matter how you look

no matter what you took
        Em7       C
Its forgotten

[chorus]
                 G
When i fall down
```

```
          D/F#
you pick me up
             Em7
you wipe my eyes
             C
and say its alright [keep playing till song fades out]

thats pretty much it. easy song i think..tell me what ya think
